NOTICE: The Natural Areas Program occasionally closes sites due to inclement weather and muddy trail conditions. If you are preparing to visit a site during poor conditions please check our website for site closures or call the Natural Areas Rangers (970-416-2147). If your site is closed during your permitted activity, please call the rangers to ask if you may still enter the site.

Terms:

I acknowledge that there are risks inherent in the activities pursuant to this permit, and that those activities may result in

predictable or unforeseeable injury or property damage to participants or others. In consideration of permitting those activities, on behalf of myself, my heirs, executors, administrators and assigns, and the organization on behalf of which I have obtained this permit (if any), I hereby waive and release any and all rights and claims for damages that I or the permitted organization may have against the City of Fort Collins, its officers, employees, contractors, or volunteers (the City), or any other person connected with the event, for any and all injuries or damage resulting from the permitted activities. I represent and warrant that I am authorized to sign this waiver and indemnity on behalf of the permitted organization or group, and I agree, and such organization or group (if any) agrees, to indemnify the City for any claims made against the City or damages incurred by the City as a result of authorizing the proposed activities.

I have read the Natural Areas Regulations.

I, and if applicable, my group or organization, agree to abide by all conditions required for the requested activity.

I understand that violation of these conditions or of any laws not exempted in this permit may result in revocation of this permit at any time.

NOTE: Applicant is responsible for any additional permits that may be required.

I accept terms: Eric Hermann

Please print this permit and carry it with you while in City Natural Areas conducting your permitted activity.
